Commissioner for Patents

PO Box 1450

Alexandria, VA 22313-1450

Dear Sir:

Request for Correction of Filing Receipt and Notice of Acceptance of Application, in Accordance with 37 CFR 1.181

Enclosed are the following papers related to the above-identified patent application:

1. Transmission Letter with Express Mail Certificate - 2 pages (1x)
2. Copy of *Filing Receipt* (first page only) - 1 page (1x)
3. Copy of *Notice of Acceptance of Application Under 35 U.S.C. 371 and 37 CFR 1.495* (first page only) - 1 page (1x)
4. Copy of Return Postcard with stamped date indicated - 1 page (1x)

Please note that on the *Filing Receipt*, the "371(c) date" shown as August 9, 2005 is incorrect. Also, please note that on the *Notice of Acceptance of Application*, the date of August 9, 2005 that appears for the following fields is also incorrect:

- a) "Date of Receipt of 35 U.S.C. 371 [...] Requirements,"
- b) "Date of Completion of All 35 U.S.C. 371 Requirements,"
- c) "Oath or Declaration filed on," and
- d) "Power of Attorney filed on."

The date of August 9, 2005 is incorrect because the USPTO had stamped the date of August 4, 2005 on our return postcard, a copy of which is enclosed. In other words, August 4, 2005 is the date on which the Applicants met the remaining 35 USC 371 requirements (of filing a Declaration and Power of Attorney) and, therefore, is the date that should appear on the two documents identified above.

Please correct the 371(c) date on the *Filing Receipt* and the dates (for the four fields listed above) on the *Notice of Acceptance of Application to August 4, 2005* (i.e., the date that was stamped by the USPTO on the return postcard).

Pursuant to 37 CFR 1.136(a)(3), please treat this and any concurrent or future reply in this application that requires a petition for an extension of time for its timely submission as incorporating a petition for extension of time for the appropriate length of time.

Respectfully,
DeMont & Breyer, LLC
